**Come and Listen
to Yishai Fleisher
From Arutz Sheva**

In these tumultuous times there is only one message, there is only one call and that is **NEO-ZIONISM**

Yishai Fleisher was an Israeli paratrooper, graduated from Cardozo Law School , and recently made Aliyah to the town of Beit El which neighbors Ramallah. Yishai, along with his wife Malkah whom he married in Hebron, joined Arutz Sheva's Israel National Radio as Broadcasters. Yishai's two shows, The Stutz and Fleisher Show and The Aliyah Show, are heard by thousands around the world.

In the year 2000, Yishai, along with his friends, started a pro-Aliyah grassroots organization called Kumah. Kumah, which is Hebrew for "Arise", is an organization dedicated to encouraging and facilitating Aliyah to Israel by Jews of North America. Kumah believes that the time is ripe for **Neo-Zionism**, a Biblical dream being realized today. Through an array of projects both in Israel and in North America, Kumah seeks to invigorate the Jewish people with a new vision of Israel and innovative plans for Aliyah.
